"Do consult you It a dog devours sausages and does not care whom he marries, so that huch, Mary," replied the sister, whose own placed in my window, can I make his face was scarlet, though it were an air of owner pay the damage?" "Certainly." "In "I do not care what people sry; I do not determination, "it's the first time I ever was that case, please to pay me distribute your believe it; he looks too noble for that." at a theater, and I suppose it will be the dog has just enten sausages of mine to that "Oh, Nellie," said Mary at length, "just last, so I'm just going to stay if out if they extent." The descate paid the money.

"Do not, pray," said I, interrupting her; ter, it cannot be denied that in Spring it and the tradesman, to his intense mertific "turne orer e new leef."

"I had much rather believe them happy. 1 Prostitution in New York City. There are six thousand public prostitutes in the city of New York.

The majority of them are from fifteen to twenty-five years of age. Education is at a very low standard with

One fifth of them are married women. One-half of them have given birth to children, and more than one-half of the ordinary ratio among children are illegitimate. The ratio of mortality among children of prostitutes is four times greate

ordinary ratio among children in New York.

Many of these children are living in the bodes of vice and obscenity. The majority of these women bave been prostitutes for less than four years. The average duration of a prostitute's life is only FOUR YEARS.

A capital of nearly four millions of dol-lars [\$4,000,000] is invested in the busi-

ness of prostitution. The annual expenditure on account of prostitution is more than seven millions of

dollars. There is an average of 2.000] abandoned women constantly maintained at the public expense in the hospitals on Blackwell's Island, and their ages on brace almost every

Of these two thousand professional courtezans only about three-eighths were natives of the United States:

This is no fancy picture. It is a horrible picture, but a true one. The statistics have W. Sanger, the resident physician of Blackwell's Island.

TRIUMPH OVER EVIL -We are rewarded for every triumph we make over temptation. I will suppose there are many who have struggled against the vanity of valu pleasures, many who have put down evil thoughts with a strong will; many who, after a long, and it may be, an uncertain them whether, then they have compared and so prevailed against the evil, and their heartr have not softened and melted within Sinclair, the great "blue-stocking," whom mine who has asked repeatedly to be prehave so felt; and so it will ever be. No sooner shall they have driven from them ford, and consequently they hold their aristo- the little circle around Mrs. Mason opened the tempting demon of pride, of vanity, of them, than angels will come and min's er
